

**COOPER THE HOOPER**

Over at College Park, point guard Evan Cooper will direct the boys' team from the point. Cooper is entering his junior year and will be a mid-major addition for some lucky program.

**FROM OUT OF THE FOREST**

Klein Forest's Derail Green is a 6-foot-7 hybrid athlete, who can defend and shoot. He will need a big season to lead the Golden Eagles back to a regional berth. The junior holds a half-dozen mid-major offers.

**HYPE AROUND THE HIGHLANDERS**

Anna Strickland is one of a trio of Division I prospects at the north Houston school, which is generating some buzz. Kelsey Lang (6-foot-4) and Paige Bradley will complement Strickland in hopes to knock off district favorite Atascocita.
